

FLEX SAUNA HARMONY CORNER

Väggnummerering / Wall numbering

Väggarna är numrerade på sidan. Motsvarande siffra finns på layouten.
Varje kartong är märkt med nummer som talar om vilka väggar den innehåller.

The walls are numbered on the side. The corresponding number is on the layout.
Each box is marked with numbers that tells which walls it contains.

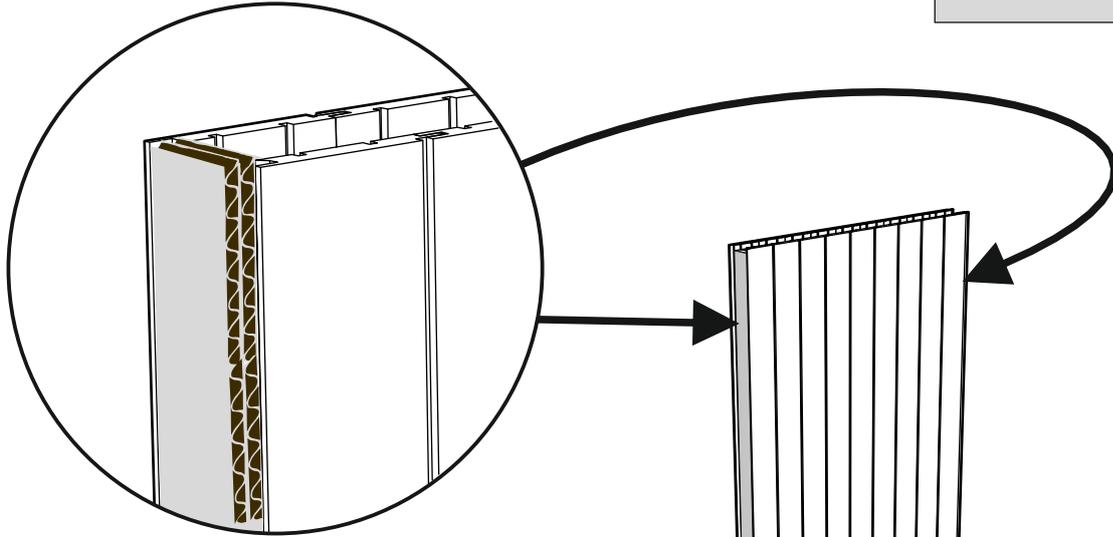

Belysning / Lighting

Tänk på att förbereda för belysning om sådan ska monteras. Hål för kabeldragning kan behöva borrar i t.ex. väggarna. Se manualen för belysning.

Remember to prepare for lighting if such is to be installed. Holes for cabling may need to be drilled in e.g. the walls. See the manual for lighting.

**OBS! Används ej på väggar/tak med granpanel på båda sidor.
NB! Not used for walls/ceilings with spruce panel on both sides.**

Information

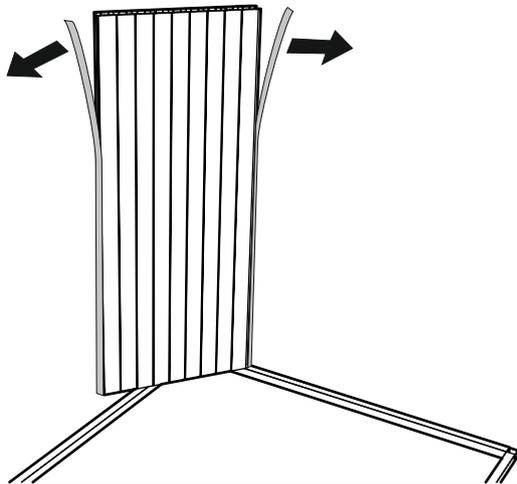

Vägg/takskydd -

ta bort precis innan väggen/taket sätts på plats

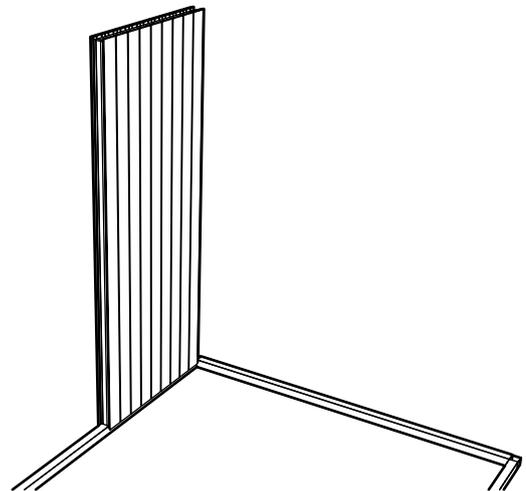

Wall/ceiling protection -

remove just before putting the wall/ceiling in place
